

WOMEN AND DIVERSITY UNDERGRADUATE SCHOLARSHIP PROGRAM 2024

At Thiesse, we invest in our people and support them every step of the way

Our scholarships support students through their studies and provide them with an opportunity to launch their career in mining. The scholarship program is aligned with university semesters and students can also join our internship program across our mining projects.

Eligibility criteria

- Female candidates including those with disabilities
- An undergraduate student in your sixth semester studying:
 - Mining Engineering
 - Mechanical Engineering
 - Geodesy & Geomatics Engineering
 - Geological Engineering
 - Civil Engineering
 - Environmental Engineering
 - Informatics Engineering
 - Electrical Engineering
 - Information System
 - Industrial Engineering
 - Computer Science
- Minimum GPA of 2.75
- Proficient in English

- Can complete an internship placement up to 8 weeks with Thiesse before graduation
- Able to demonstrate positive social contribution such as community volunteering and student organisations that align with Thiesse values and principles.

Benefits

- Financial support for the duration of one-year study up to IDR 15,000,000 per semester
- Internship placement at a Thiesse project or office
- Opportunity to secure a permanent position as part of Thiesse' Graduate Program

The application process

1. Completion of our online application
2. Aptitude test
3. Formal interview
4. Reference check
