

IMPORTANT DATES

EVENT

Symposium: 23-24 July 2018

Workshop: 25-27 July 2018

DEADLINES

Online registration

30 April 2018

Abstract Submission

15 May 2018

Payment

30 June 2018

REGISTRATION FEE

Local Participants

Participant	Symposium	Symposium and Workshop#
Student	RM 636	RM 1590
Government Agency	RM 795	RM1590
Non-Government Agency	RM 901	RM 1590

International Participants

Participant	Symposium	Symposium and Workshop#
Student	USD 318	USD 583
Non-Student	USD 424	USD 583

**10% discount for early bird registration before 30*

April 2018

**Registration fee includes 6% GST*

**Registration fee covers seminar materials, refreshments and lunches.*

#Limited to 30 participants only. First come first serve.

MODE OF PAYMENT

a) All bank drafts or cheques (Malaysian only) must be made payable to “**KIRA-KIRA AM UPM**” and crossed “**A/C Payee Only**”

or

b) Direct bank transfer must be routed to:

Bank name: CIMB Bank Berhad

Account Name: KIRA-KIRA AM UPM

Account Number: 8002151963

Swift Code: CIBBMYKL

Bank Address: Ground Floor, Block B, Bangunan Pusat Pelajar, Universiti Putra Malaysia, 43400 UPM Serdang, Selangor, Malaysia.

Please scan and email transaction details, and bring this as proof of payment during registration. The Secretariat may be contacted as below:

SECRETARIAT FGSB2018

Department of Cell and Molecular Biology,
Faculty of Biotechnology and
Biomolecular Sciences,
Universiti Putra Malaysia
43400 UPM Serdang, Selangor, Malaysia.

THE 3rd INTERNATIONAL SYMPOSIUM & WORKSHOP

ON FUNCTIONAL GENOMICS AND STRUCTURAL BIOLOGY

(FGSB2018)

Defining

gene functions in the post-genomic era

23-27
July
2018

TNCPI Office
Building,
Universiti
Putra Malaysia

UPM
UNIVERSITI PUTRA MALAYSIA
BERILMU BERBAKTI

Codon Genomics

INVITATION

On behalf of the Organising Committee of FGSB 2018, we take great pleasure in extending our invitation to you to participate in this Symposium and Workshop jointly organised by Universiti Putra Malaysia and Codon Genomics.

Functional genomics determines the biological function of genes and their products through the investigation of transcriptomes, proteomes, metabolomes and phenomes; while structural biology provides insights of protein structure and functions. The knowledge derived from these areas drives the major breakthroughs at the new frontiers of science.

The primary objective of this Symposium and Workshop is to provide a venue for researchers from diverse disciplines to present their recent findings, to exchange ideas and to explore multi-disciplinary collaborations. The Symposium comprises two days of scientific presentations covering all aspects of genome analysis, transcriptome profiling, protein profiling, protein-protein interactions, metabolite profiling, genotype to phenotype, data integration, modelling and prediction, protein 3D structure, X-ray diffraction, NMR, electron microscopy and molecular docking, that contribute to gene discovery, and assignment of gene and protein functions in the post-genome era. The three-day workshop provides theory, hands-on training in data analysis and interpretation as well as an avenue to discuss research ideas and challenges. The workshop will focus on advanced transcriptome analysis.

SCOPES OF SYMPOSIUM

- ◆ Biological Databases and Networks
- ◆ Data Mining in Bioinformatics
- ◆ Phylogenetic Analysis
- ◆ Omics (Genomics, Transcriptomics, Metabolomics, ...)
- ◆ Elucidation of Gene Functions
- ◆ Protein Modelling and Simulation
- ◆ Protein Docking and Virtual Screening
- ◆ Protein Crystallisation and Structure Determination
- ◆ Protein Folding and Interaction
- ◆ Molecular Biology

PARTICIPANTS

We welcome the participation of researchers and graduate students who are interested in structural biology and functional genomics from government and non-governmental agencies.

CALL FOR ABSTRACTS

Abstracts should be written in **BRITISH ENGLISH** not exceeding 300 words and include objective, methodology and results. The abstract would be sent directly to the printers with minimum editing. Please submit your abstract to fgsb@upm.edu.my before **30 April 2018**. The abstract should be prepared according to the format that can be found at our website: <http://www.fgsb.upm.edu.my>

POSTER PRESENTATION AND THE BEST POSTER AWARDS

Posters should be of A1 (594 mm-841 mm) size and in PORTRAIT orientation. Certificates and prizes will be awarded to the best posters in each category.

ACCOMMODATION

Hotel Bangi-Putrajaya

THE 3rd INTERNATIONAL SYMPOSIUM & WORKSHOP ON FUNCTIONAL GENOMICS AND STRUCTURAL BIOLOGY (FGSB2018)

Title: Prof. / Assoc. Prof. / Dr. / Mr. / Ms.

Full name: _____

NRIC/Passport: _____

Organisation/Institution: _____

Address: _____

Tel: _____ Mobile: _____

Fax: _____ Email: _____

Participant category:

- Oral Poster
- Symposium Participant
- Symposium and Workshop Participant

Scope (Please tick ONE):

- Biological Databases and Networks
- Data Mining in Bioinformatics
- Phylogenetic Analysis
- Omics
- Elucidation of Gene Functions
- Protein Modelling and Simulation
- Protein Docking and Virtual Screening
- Protein Crystallisation and Structure Determination
- Protein Folding and Interaction
- Molecular Biology

Meal choice:

- Vegetarian Non-Vegetarian

Mode of payment:

Bank draft/Cheque no./Direct bank transfer details: _____

Signature: _____ Date: _____

**This registration form, together with proof of payment should be emailed to fgsb@upm.edu.my*
